

8/10/21 Mass v. Jamhal
CR: 091099

Violation of ALM GL
Ch. 276 § 58 A.

GL ch 276 § 58 A (4)
Was violated for the following
reasons:

① I was not able to
cross examine the witnesses
who appeared at the hearing and
I visibly seen Troopers at the
hearing. See 276 § 58A (4).
My wife, father and sister
were present and they were
not allowed to testify.

And Emily Karsether violated
276 § 58A (4)(3) "the Judge
shall (a) include written findings of
fact and a written statement of
the reason for detention; " Emily
merely stated she found probable
cause but never stated what it
was. That is a violation of
my rights. None of my actions
or statements were dangerous to
anyone. Therefore I am being detained
unconstitutionally. ~~Am I~~

Notice of Conflict of
Interest - Federal Courts have
Original Jurisdiction.

In the matter of "Commonwealth
of Massachusetts v. Jamhal Bey" or
COMMONWEALTH OF MASSACHUSETTS v.
JAMHAL LATIMER, the federal
courts of the United States
have original jurisdiction. See
The United States Constitution
Article III Section 1. "The judicial
power of the United States, shall be
vested in one Supreme Court, and
in such inferior courts [District and
Circuit Courts] as the Congress may
from time to time ordain and establish."
Section 2. "The judicial power shall
extend to All Cases in law
and Equity in all [without distinction
between criminal or civil] arising
under this Constitution, the laws of
the United States, and treaties
made [Federal question] . . .
to all Cases . . . between a
State, or the citizens thereof,

(2)

and foreign states, citizens or
Subjects [Diversity of Citizenship]
Section 2 [Contract] Between
a State and Citizens of another
State. [Diversity of Citizenship]

Therefore, regardless of the
State / Commonwealth wishes to
Identify me as who I am, JAMAL
BEG, a citizen of Morocco or
who I am not, JAMAL LATIMER
a citizen of RHODE ISLAND,
there is still the issue of
diversity and Federal Courts have
Original Jurisdiction. There is
no Constitutional requirement
for the controversy to exceed
or be over \$75,000.

Furthermore, the conflict of
interest is that one, the
Prosecutor is identified as
"The Commonwealth" and
so is the Court. And two
I am not a resident or
citizen of the Commonwealth
but even if I was, it's still
a conflict of interest because
the Judge and prosecutor are/is

(2)

"The Commonwealth of Massachusetts
Says if the prosecutor
was my father and Judge
was my Sister and You
the reader were the defendant,
If matters not when You
say, You're going to jail.
And since the prosecutor
and Judge are the same
viz 'the Commonwealth' the
result is the same.

Federal Court must lay down
the State Criminal Proceedings.
as this is an extraordinary
circumstance and in Substantive
immediate, irreversable and irreparable
damage) My rights are being
violated I am being discriminated
against because of my National
origin the treaty between our two
~~two~~ countries are being violated
and the Constitutional laws of
the U.S. is being violated.

In Re: Descriimination against me
because of my national origin.

There is an Irishmen
two cells over who is also
a pod se litigant and he
has a type-writer and a laptop
computer permanently in his room
so that he can properly prepare
a defense for him self. It is
well known that i am a
Moroccan or for short, Moor,
and i am being denied both
a type writer and laptop in my
room. This is prima facie evidence
of Descriimination because of
my National origin, Skin-tone and
religious belief.

A copy of this is being sent to Mental
Health and Federal Court.

It is weighing on my mental health and spirit knowing how my rights are being violated and I am clearly being discriminated because of my national origin yet everyone is acting like things are being done according to law. I spoke to a nurse about the fact that Emily Karsetter, a officer of the court said out of her own mouth that I am innocent until proven guilty then sent me to jail. The nurse responded "funny how that works huh?" & there's nothing funny about mental torment, mental anguish or mental abuse. That is almost exactly the same as an abusive relationship where one person says "I love you" then punches their alleged lover in the face.

Many people clearly see that what is happening to me is wrong, but no one is

doing anything above it.
Innocent men should not be
deprived of life liberty or the
pursuit of happiness I cannot see
my daughter grow up the
lose 3 children and shes
the only on this island now
I can see her because Court
officers who are supposed to
be just moral & honest
and care about the rights of
everyone look like less
about their in lawful actions
and their violations of my
rights.

I am forced to
smell another grown mans
bold movements in a room
where I can almost touch two of
the walls if I reach out.

I have hurt no one,
I don't sell drugs, I don't
steal, I don't break into peoples
homes, I don't commit fraud,
Yet im in jail for exercising
my Constitutional rights. The
same rights I enforced and
Protected as a United States

Marine. Clearly I wasted my life in the Marine Corps, as now, as a veteran my rights clearly mean nothing. All men are clearly not created equal here and my unconstitutional detention and treatment is evidence of that, prime ~~as~~ facia evidence.

I am being forced to live my life in fear, paranoid and in constant doubt of my own actions. I will never be the same person after this.

I've wasted 4 years of my life in the military overseas, away from my loved ones, in the name of protecting Constitutional rights, and now, my Constitutional rights mean nothing. So, my Service means nothing; the awards, medals and Dress - Blue - Alpha means nothing. My eagle globe and anchor means nothing. Graduating at Paris Island meant nothing. My Marine Corps tattoos mean

nothing & my father and
Grandfather Serving in the
Armed forces Means Nothing.
How can I teach my
children about what's right
and wrong if fighting for
what's right for ALL people
means Nothing?

My life means nothing -
I am Civil Liberties Mortise
DEAD IN THE EYES OR
THE "LAW!"

CIVIL DEATH IS
WORSE THAN DEATH.

A copy of this is being sent
to me in health and the
federal Courts.
